SUBJECT: POLAND: DEMARCHE RESPONSE ON CONTRIBUTIONS FOR
HAITI INTERIM COOPERATION FRAMEWORK EXTENSION

REF: STATE 116137

¶1. On July 18, Econoff delivered reftel demarche points to Mr. Jerzy Pomianowski, Director of Development Co-operation Department at the Ministry of Foreign Affairs. Mr.Pomianowski sent the following response dated July 21, ¶2006.

¶2. Begin text. Thank you for the information on U.S. assistance to Haiti. Unfortunately, all this year's funds for Polish development assistance have been already assigned and Haiti (as well as any other country from the Latin America region) has not been included in the group of Polish development assistance priority countries. Taking into consideration the fact that Poland has committed itself to increase ODA up to 0.17 percent of its GNP by 2010 and 0.33 percent by 2015, we will reconsider in the future extending the above mentioned list of priority countries. However, we cannot yet provide any concrete information on this issue. End text.
